

Download School Age Weekly Lesson Plan Template

This is a plan I drew up using literature surrounding what makes a good lesson. Comments welcome on whether you find this useful or if there is something missing. The second and third documents are a commentary outlining the rationale behind the pro-fo...Display a Glossary Template worksheet and write the word process on the first line. Model using a dictionary by pointing out the guide words and how to use them to find vocabulary words. Locate the word process, and teach learners how to find the part of speech (n).Record the part of speech in the right column of the chart.Encourage students to try and put pieces together to make a word themselves. Let them try different combinations using whatever color combinations they want. Draw their attention to the letters on each piece and ask them to sound it out. Remind them gently what sounds the letters make. Once students ...Bright from the Start Georgia's Department of Early Care and Learning. Meeting the child care and early education needs of Georgia's children and their families.
