Hi Guys, There is a 1972 Model 8 HP Wheel Horse Lawn Tractor on ePay for sale. I am sorry, but I don't know how to put the link in here, to get to it. But it is listed as 1972 Model 8 HP Wheel horse Lawn Tractor. In the listing, he says it is a Commando 8. Maybe some of you could take a look at it... I couldn't find a thread that really fit my question, so I started my own. If it's in the wrong spot please advise and I'll remove/move it. We recently came into a tractor that all we were told is that it was a "68 Wheel horse". After doing some digging on the engine serial number, I figured out ...
