

Download William Paterson Lawyer And Statesman 1745 1806

"We are building a great empire,". William Paterson wrote to his wife in 1791, "the prospect widens and brightens as we proceed and to every enlarged mind must give the largest pleasure." At the time, Paterson was representing New Jersey in the first Senate of the United States. Although, measured ...William Paterson: Lawyer and Statesman, 1745-1806 [John E. O'Connor] on Amazon.com. *FREE* shipping on qualifying offers. Get this from a library! William Paterson, lawyer and statesman, 1745-1806. [John E O'Connor] William Paterson brought a wealth of legal experience to his position as senior associate justice. Prior to joining the Court, Paterson had practiced law privately and as an attorney general for the state of New Jersey. In addition to this practical experience, Paterson had helped revise the laws of his state and, importantly, served as a principal architect of the federal judicial system ...
